

OPERATION CRIME WATCH
POLICE-COMMUNITY PARTNERSHIPS

Each police district holds monthly Community Relations Council (CRC) meetings*. The Councils are led by resident leaders who work closely with the police district's command staff as well as the Police Commissioner. Participating in the CRC's give neighbors an opportunity to connect with resident leaders in surrounding communities, as well as with Baltimore Police Department patrol and neighborhood officers.

Each district also has Neighborhood Coordination Officers (NCO's) that work with your community to problem solve around specific public safety issues. **If you would like more information about activities happening within your neighborhood please contact the Mayor's Office on Criminal Justice's Community Engagement Coordinator at 410-396-9521 or operationcrimewatch@baltimorecity.gov**
